Guide, mentor and coach you in your Agile and scrum journey with weekly/monthly mentoring sessions

SERVICE & ADVICE

Consult with you or your team and advice on championing the agile mindset and principles

CAREER DEVELOPMENT

Support your career development with a customized framework and skills assessments for your transition to agile

TESTIMONIALS

During the time I worked with Lisette, I appreciated the insights she drew and shared from her experience with agile and scrum approaches to project management. She was a strong contributor to our department's agile committee and a mentor to others regarding agile principles.
